

**INTERNATIONAL  
SYMPOSIUM ON  
ARTIFICIAL INTELLIGENCE  
AND MACHINE LEARNING 2022**  
#AI4ALL

# International Symposium on Artificial Intelligence and Machine Learning - 2022

## 21st & 22nd September 2022

### SPEAKER PROFILE

#### **Dr. Sorav Bansal**

**Associate Professor & Microsoft Chair Professor  
IIT Delhi**

- Sorav Bansal (<https://sorav.compiler.ai>) is an Associate Professor and Microsoft Chair Professor at the CS department at IIT Delhi, and works in the areas of programming languages and operating systems.
- His primary research interests involve investigating superoptimization-based compiler design.
- He recently co-founded CompilerAI Labs, a startup in the space of formal validation of a compiler's output.
- Sorav obtained his B.Tech. from IIT Delhi, and Ph.D. from Stanford University.
