

**INTERNATIONAL  
SYMPOSIUM ON  
ARTIFICIAL INTELLIGENCE  
AND MACHINE LEARNING** 2022  
#AI4ALL

# International Symposium on Artificial Intelligence and Machine Learning - 2022

**21st & 22nd September 2022**

## SPEAKER PROFILE

### **Shri. Jawahar Bhalla**

**President**

**Systems Engineering Society of Australia (SESA)**

- JB is a passionate Systems professional with 30+ years' experience established across multi-national organisations in technical and strategic leadership roles delivering complex capabilities across sectors.
- He continues to contribute to the understanding and advancement of Systems Thinking, Systems Engineering and Modelling & Simulation locally, regionally, and globally. He is the current President of the Systems Engineering Society of Australia (SESA) and a past member of the Board of Simulation Australasia.
- He was recognised in 2021 as the recipient of the Simulation Australasia Ray Page Lifetime Achievement Award for an outstanding contribution to the advancement of Modelling and Simulation in the Australasian region. He has a BE in Aerospace Engineering and a BSc in Computer Science from UNSW, a Master's in Systems Engineering from UNSW@ADFA.
- He is a current iPhD candidate on an Australian Government Research Training Program Scholarship sponsored by Shoal Group as the industry partner, at the University of Adelaide, developing a framework for the systems engineering and assurance of AI-intensive autonomous systems.
