

# International Symposium on Artificial Intelligence - Machine Learning in Safety Critical Systems

21 - 22 October 2021

## PROFILE

### **Mr. Paul La Pietra**

**Senior Engineering Director  
Product Assurance Airworthiness and Certification  
Honeywell**

Mr. La Pietra has more than 40 years of experience with systems and software development, integration, verification and certification of propulsion engines & APUs control systems and flight critical avionics.

He's been engaged in industry and rulemaking activities pertaining to Systems & Equipment, Software & Airborne Electronic Hardware. Mr. La Pietra has been an FAA Company and Consultant DER for over 30 years.

In 2018 he was appointed Honeywell's Lead Organizational Designation Authorization (ODA) Administrator. His involvement in international certification/validation projects provided him opportunities to work with global certification authorities that include ANAC (Brazil), CAAC (China), DGCA (India), EASA (European Union), and TCCA (Canada).
